

## **ECL205 Multicultural Education and Bilingual Education (多元文化教育与双语教育)**

**Level:** 2

**Credit Units:** 5 Credit Units

**Language:** CHINESE

**Presentation Pattern:** EVERY JULY

### **Synopsis:**

ECL205 Multicultural Education and Bilingual Education is a basic and core course of the Preschool Education major. This course is designed to help students understand the basic concepts and theoretical foundations of multicultural education, explore the issues of race, gender, class, and anti-discrimination education in multicultural education. In addition students will learn about Singapore's multicultural education based on its multicultural background. Through the understanding of multicultural curriculum and teaching activity design, combined with Singapore's language diversity and bilingual education, students will be equipped to apply the teaching and practice of multicultural education and bilingual education in Singapore kindergartens.

### **Topics:**

- Basic concepts of multicultural education
- Theoretical basis of multicultural education
- Singapore's multicultural background
- The cross-cultural adaptation and multicultural education context in Singapore
- Race, gender, class, and multicultural education
- Anti-discrimination education and anti-prejudice curriculum
- The orientation of multicultural curriculum reform
- Curriculum and teaching activity design for children's multicultural education
- Singapore language education policy and bilingual education in kindergartens
- Singapore's pre-school bilingual education framework and teaching guide
- Implementation and evaluation of preschool Chinese teaching in Singapore
- Practical application of multicultural education in kindergartens in Singapore
