Synopsis:

OGP264 Business Thai II aims to provide students with the necessary language skills and cultural knowledge to live and work in Thailand. It offers comprehensive training in conversational skills, grammar and vocabulary, with an additional focus on language used in business settings. It will also introduce students to aspects of the Thai culture such as its food, customs and acceptable etiquette in social interactions. The course will be delivered through synchronous, online instruction with small groups of students

to ensure an optimum learning experience. Feedback on individual performance in each lesson helps students correct their errors immediately. Pre-lesson and post-lesson tasks help students focus on new knowledge gained, and reinforce and practise new vocabulary and grammatical structures learned. At the end of the course, students will be more aware of Thai communicative norms and be proficient in business communication in Thai. The course assessments include a quiz assessing students' cultural knowledge, a group-based assignment, an individual assignment and an oral exam.
