

TLL304 Applied Linguistics

Level: 3

Credit Units: 5 Credit Units

Language: TAMIL

Presentation Pattern: EVERY JULY

Synopsis:

TLL304 demonstrates the pivotal role a language plays in human life. It focuses on the application and relationship between theory and practice. It also explains the theoretical and descriptive foundations necessary to understand language-related problems, especially those of language education such as first and second language teaching and learning. It also deals extensively with bilingualism, diglossia, codemix and codeswitch.
